

## Table of Contents

<b>1</b>	<b><i>European ITS Service Deployment Reference Handbook</i></b> .....	<b>19</b>
1.1	<b>Significance and background of the Handbook</b> .....	<b>19</b>
1.2	<b>References to European background activities</b> .....	<b>20</b>
1.2.1	Preliminary remark.....	20
1.2.2	The European Delegated Regulations on Traffic and Travel Information Provision .....	20
1.2.3	Key Performance Indicators .....	25
1.2.4	Importance of information provision to National Access Points .....	26
1.2.5	DATEX II .....	27
1.2.6	European Member States C-ROADS Platform.....	28
1.2.7	Further relevant Programme Support Actions (PSA) .....	30
1.3	<b>Scope and pillars of harmonisation and interoperability in this handbook</b> .....	<b>31</b>
1.4	<b>Guidance for reading this handbook</b> .....	<b>32</b>
<b>2</b>	<b><i>The conceptual setup</i></b> .....	<b>34</b>
2.1	<b>The European ITS Core services structure model</b> .....	<b>34</b>
2.2	<b>The common ITS service description structure</b> .....	<b>35</b>
2.3	<b>The ITS Service Radar concept</b> .....	<b>36</b>
2.4	<b>The Harmonization requirements and advice concept</b> .....	<b>37</b>
2.5	<b>How ITS Core services share information</b> .....	<b>39</b>
2.5.1	Interface implementation model .....	39
2.5.2	Required interface standards and specifications .....	41
2.6	<b>The Level of Service and Operating Environment concept</b> .....	<b>42</b>
2.7	<b>The Level of Quality concept</b> .....	<b>47</b>
<b>3</b>	<b><i>TTIS - Traffic and Travel Information services</i></b> .....	<b>49</b>
3.1	<b>TTIS-Introduction</b> .....	<b>49</b>
3.1.1	Overview .....	49
3.1.2	Purpose and scope of Traffic and Travel Information services .....	49
3.1.3	Vision, Missions and Benefit of TTI Core services .....	51
3.1.4	Key actors in the Traffic and Travel Information value chain.....	58
3.1.5	Conditions for Service Provision – Business Model.....	62
3.2	<b>TTIS-01 Forecast and Real-time Event Information</b> .....	<b>67</b>
3.2.1	ITS service at a glance .....	67
3.2.2	Harmonization requirements and advice.....	68
3.3	<b>TTIS-02 Traffic Condition and Travel Time Information</b> .....	<b>78</b>
3.3.1	ITS service at a glance .....	78
3.3.2	Harmonization requirements and advice.....	78
3.4	<b>TTIS-03 Speed Limit Information</b> .....	<b>85</b>
3.4.1	ITS service at a glance .....	85
3.4.2	Harmonization requirements and advice.....	85
3.5	<b>TTIS-04 Road Weather Information</b> .....	<b>92</b>
3.5.1	ITS service at a glance .....	92
3.5.2	Harmonization requirements and advice.....	93
3.6	<b>TTIS-05 Multimodal Travel Information Service</b> .....	<b>100</b>

3.6.1	ITS service at a glance .....	100
3.6.2	Harmonization requirements and advice.....	103
<b>4</b>	<b>TMS - Traffic Management services.....</b>	<b>112</b>
<b>4.1</b>	<b>TMS-Introduction.....</b>	<b>112</b>
4.1.1	Overview .....	112
4.1.2	Purpose and aim of Traffic Management services.....	112
4.1.3	Vision, Missions and Benefit of Traffic Management Core services .....	114
4.1.4	The Traffic Management Value Chain.....	124
<b>4.2</b>	<b>TMS-01 Dynamic Lane Management.....</b>	<b>131</b>
4.2.1	ITS Service at a glance .....	131
4.2.2	ITS service profile .....	132
4.2.3	Harmonization requirements and advice.....	134
<b>4.3</b>	<b>TMS-02 Variable Speed Limits .....</b>	<b>145</b>
4.3.1	ITS service at a glance .....	145
4.3.2	ITS service profile .....	146
4.3.3	Harmonization Requirements and advice.....	147
<b>4.4</b>	<b>TMS-03 Ramp Metering .....</b>	<b>158</b>
4.4.1	ITS service at a glance .....	158
4.4.2	ITS service profile .....	159
4.4.3	Harmonization requirements and advice.....	160
<b>4.5</b>	<b>TMS-04 Hard Shoulder Running .....</b>	<b>169</b>
4.5.1	ITS service at a glance .....	169
4.5.2	ITS service profile .....	170
4.5.3	Harmonization requirements and advice.....	171
<b>4.6</b>	<b>TMS-05 HGV Overtaking Ban .....</b>	<b>183</b>
4.6.1	ITS service at a glance .....	183
4.6.2	ITS service profile .....	184
4.6.3	Harmonization requirements and advice.....	185
<b>4.7</b>	<b>TMS-06 Incident Warning and Management .....</b>	<b>197</b>
4.7.1	ITS service at a glance .....	197
4.7.2	ITS service profile .....	198
4.7.3	Harmonization requirements and advice.....	199
<b>4.8</b>	<b>TMS-07 Traffic Management for Corridors and Networks.....</b>	<b>209</b>
4.8.1	ITS service at a glance .....	209
4.8.2	ITS service profile .....	210
4.8.3	Harmonization requirements and advice.....	213
<b>5</b>	<b>F&amp;LS - Freight &amp; Logistic services .....</b>	<b>231</b>
<b>5.1</b>	<b>F&amp;LS-Introduction.....</b>	<b>231</b>
<b>5.2</b>	<b>F&amp;LS-01 Intelligent and Secure Truck parking .....</b>	<b>232</b>
5.2.1	ITS service at a glance .....	232
5.2.2	ITS service profile .....	233
5.2.3	Harmonization Requirements and advice.....	235
<b>5.3</b>	<b>F&amp;LS-02 Abnormal Goods Transport Regulations .....</b>	<b>243</b>
5.3.1	ITS service at a glance .....	243
5.3.2	ITS service profile .....	244
5.3.3	Harmonization requirements and advice.....	246

<b>6</b>	<b><i>Annex A: Deployment References (see separate document)</i></b>	<b>251</b>
<b>7</b>	<b><i>Annex B: Compliance checklists</i></b>	<b>252</b>
<b>7.1</b>	<b>TTIS - Traffic &amp; Travel Information Services</b>	<b>252</b>
7.1.1	TTIS-01 Forecast and Real-time Event Information	252
7.1.2	TTIS-02 Traffic Condition and Travel Time Information	257
7.1.3	TTIS-03 Speed Limit Information	262
7.1.4	TTIS-04 Road Weather Information	265
7.1.5	TTIS-05 Multimodal Travel Information Services	270
<b>7.2</b>	<b>TMS - Traffic Management Services</b>	<b>275</b>
7.2.1	TMS-01 Dynamic Lane Management	275
7.2.2	TMS-02 Variable Speed limits	282
7.2.3	TMS-03 Ramp Metering	288
7.2.4	TMS-04 Hard Shoulder Running	292
7.2.5	TMS-05 HGV Overtaking Ban	296
7.2.6	TMS-06 Incident Warning and Management	300
7.2.7	TMS-07 Traffic Management for Corridors and Networks	307
<b>7.3</b>	<b>F&amp;LS - Freight &amp; Logistic Services</b>	<b>314</b>
7.3.1	F&LS-01 Intelligent and Secure Truck parking	314
7.3.2	F&LS-02 Access top Abnormal Goods Transport Regulation	320
<b>8</b>	<b><i>Annex C: Operating Environment Classification</i></b>	<b>324</b>
<b>8.1</b>	<b>Introduction</b>	<b>324</b>
<b>8.2</b>	<b>Understanding the classification criteria and attributes</b>	<b>324</b>
8.2.1	Physical characteristics	324
8.2.2	Network typology or traffic management orientation	325
8.2.3	Traffic flow impact	325
8.2.4	Potential road safety concerns	326
8.2.5	Other attributes	327
<b>8.3</b>	<b>Carrying out the classification in practice</b>	<b>327</b>
8.3.1	Basic principles	327
8.3.2	Using the Excel support tool	328
<b>8.4</b>	<b>Reporting the classification</b>	<b>329</b>
