Timely

Total CEF funding for ITS: 443,482,461 EUR
Including 121,497,176 for C-ITS
Total investments for ITS: 1,172,984,236 EUR
Including 235,632,797 for C-ITS

CEF ITS Action

- Fully supporting EC policy

ITS Directive 2010/40/EU
C-ITS Platform

- EU ITS and C-ITS Platform for the coordination of Member States initiatives
- Relevant increase of the total investments

C-Roads

- Harmonised deployment of C-ITS in line with needs and priorities of Member States
- Definition of specifications (security, communication, etc.)
- Test suited and cross-border pilots
- Cooperation with EC and C-ITS platform
- 16 European States committed
- More details and description of the pilots available at www.c-roads.eu

European
Commission

C-Roads @ Digital Transport Day

Main outcome

- Growing interest on C-ITS from public and private sectors
- Enlarged geographical scope and relevant participation to the international platforms
- Member States ownership and high involvement in C-ITS deployment
- Harmonisation/interoperability requires strong coordination
- So far, the implementation is successful but a number of challenges to be faced
- High expectation on the results of this deployment phase

Blending call 2017

ITS

Actions to support:

Cooperative ITS (C-ITS) services and automation
Intelligent transport services for road (ITS)

Evaluation process

- **February 2017**
Call publication

- **April 2018 (12/04/2018)**
Deadline for submission
- **April-July 2018**
Consultation of the CEF Coordination Committee /
Information to the European Parliament
- **September 2018**
Adoption of the Selection Decision
- **As of September 2018**
Preparation and signature of individual grant agreements
